

PRESS RELEASE

Neodecortech: Constant commitment to sustainability and power efficiency

Filago, February 20, 2018

Neodecortech S.p.A. ("NDT" or the "Company"), Italian leader in the production of decorative paper for laminated panels and flooring used in the interior design sector, is pleased to announce that its subsidiaries Cartiere di Guarcino S.p.A. and Bioenergia Guarcino S.r.l. - specialised in the production of special decorative paper through cellulose transformation and in the management of the biggest Italian cogeneration plant for electric power and steam production through bio-liquids resulting from animals by-products, bought the ISO 50001:2011 certification guaranteeing full compliance with the requirements of energy managements systems.

This recognition is important due to the energy consuming nature of the Group and in particular of Cartiere di Guarcino.

"Reached the goal of having the ISO 50001: 2011 certification on all the companies of Neodecortech Group, - declares Luigi Cogni - the attention is reiterated to the continuous improvement in terms of energy saving, minimization of production waste, and reuse of raw materials, increasing intra-group synergies also according to the dictates of the circular economy. The attention to the environment and to all the stakeholder has already been for years for this Group the best way to do business and, to witness this, I confirm that also this year the Social Report will be published in March."
