

PRESS RELEASE

Excellent feedback from Neodecortech S.p.A.'s presence at Eigenkapitalforum held in Frankfurt on 25-27 November

Filago, 29 November 2019

Neodecortech S.p.A. ("**NDT**" or the "**Company**"), Italian market leader in the production of decorative papers for laminated panels and flooring for interior design, listed since 26 September 2017 on AIM Italia, a multilateral trading system organized and managed by Borsa Italiana S.p.A. ("**AIM Italia**"), announces that it held a roadshow in Germany at the Equity Forum in Frankfurt, a reference point for German investors, but with a heavy presence of French, Swiss and northern European investors too.

Luigi Cologni, CEO of Neodecortech, said: "*Broadly speaking, we noticed high interest in the Company. In Germany, our industry is established, business is appreciated and well known. Our interfacing with Italian and foreign investors continues to be highly intensive; proof of this is our recent attendance in the Mid & Small Cap Conference held in Milan on 19 November. We are paving the way in the best possible manner for our landing in the STAR segment of the MTA, also by increasing the coverage of foreign surveys: in addition to the survey conducted by the British firm Hardman & Co, released on 14 November, we have decided to cover the French market, by appointing the renowned Paris-based company specializing in financial analysis Midcap Partners. This survey complements those previously published by KT&Partners on 2 October and by Value Track on 27 September. We are additionally considering coverage in Germany, given the importance of investors in the DACH area*".

Neodecortech S.p.A.

Neodecortech is the Italian market leader in the production of decorative papers for laminated panels and flooring for interior design. The Group's business is in the production of complete and technologically advanced solutions for the realization of interior design projects, covering all stages of the production process for the production of decorative paper, from raw material management, through surface finishing and impregnation, up to the finished product and the management of end-of-line logistics. The Group offers 6 product categories: decorative papers; decorative printings; finish foil; melamine film; PPF; laminates (www.neodecortech.it).
