➤ **Neodecortech Group guest in *Linea Verde* episode of 30 January 2021**

Filago, 02 February 2021

Neodecortech S.p.A. ("**NDT**" or the "**Company**"), one of Europe's top players in the production of decorative papers for laminated panels and flooring used in interior design, listed on the Mercato Telematico Azionario (electronic stock market) organized and managed by Borsa Italiana S.p.A. ("**MTA**" and "**Borsa Italiana**"), announces that Cartiere di Guarcino S.p.A., a Neodecortech Group company, appeared as a guest on 30 January 2021 in the programme *Linea Verde* on Rai Uno.

In the episode, CEO Massimo Giorgilli showcased the business activities of Cartiere di Guarcino S.p.A., dwelling on the concept of "circular economy" and the total absence of spring water in the paper production process. Water, in fact, after being used in the process, is returned purified and filtered to the river of origin without altering any chemical or physical characteristics.

During the interview, Mr. Giorgilli explained that the Neodecortech Group adopts an approach based on the responsible and sustainable use of resources, as well as specific voluntary certifications, and is committed to complying with international and national initiatives on the use of secondary raw materials, promoting the protection of natural resources and adopting the principles of the circular economy.
